

1508 CHESAPEAKE AVENUE, HAMPTON, HAMPTON

ACTIVE

This stunning waterfront lot offers breathtaking views of the confluence of the Elizabeth and James Rivers, providing direct deep water access to the Chesapeake Bay. The lot spans over half an acre and has been mostly cleared, while still retaining several older growth trees. It presents an ideal opportunity to build your dream home in a picturesque location. The necessary utilities are readily available, including city water, sewer, gas, and high-speed internet (ISP). The bulkhead, an essential structure for protecting the shoreline, has recently been rebuilt, ensuring the integrity of the property. Property appraisal and survey are available. Build your dream home today with expansive views and enjoy life on the water with convenient proximity to major interstates, bases, hospitals and shopping centers. Call today to inquiry about builder packages available upon request.
