

119 FERRY ROAD, HOLDEN BEACH, BRUNSWICK

SOLD

Large cleared homesite in beautiful Seaside at Winding River on Holden Beach. Build your beach home and enjoy the many amenities available with this property. On the island, this community has access to an oceanfront clubhouse and pool. Take a short walk through the community to the intracoastal waterway where you will find the marina with day docks for your boat. You can then take your boat or drive over to Winding River on the mainland where you will have access to the fitness center, tennis courts, river house, etc. There are not many lots left in this much desired community. Homes in this community have the potential for excellent rental history due to the amenities and location on the island.
