

0 EVERETT CHAPPEL ROAD, MOUNT GILEAD, RICHMOND

SOLD

Located on Everett Chappell Road near Ellerbe in Richmond County, North Carolina, is 166 acres of Loblolly pine and hardwood timber. This tract was planted approximately 19 years ago and is ready for its first thinning. The rolling hills and the white oak ridges throughout make it a great hunting tract. There are also several key areas that the timber could be cut and cleared to create food plots to help promote antler growth of mature deer on the property. There are also many trails that would be great places for ATV or horseback riding. The property also has 2,200 feet of road frontage with several good sites to build your dream home or a hunting cabin. The abundance of whitetail deer and wild turkey that roam this property make it a great piece of hunting land with cash flow opportunity.
