

0 WHITE HOUSE ROAD, MONETA, BEDFORD

SOLD

Heartland! This beautiful property is located about 10 minutes away from Smith Mountain Lake. The land is fenced and has a stream running through it which could be turned into a pond. This would make a great small farm or homesite. Land is sub-dividable and has approximately 1700' of road frontage. There are also many great sites for hunting and camping. Recent survey is attached.
