

## 709 SOUTH SHORE DRIVE, BOILING SPRING LAKES, BRUNSWICK

**SOLD**

Surrounded by lovely homes, this wooded lot has 96' water frontage on the big lake of Boiling Spring Lakes. (Hurricane Florence in 2018 destroyed several dams in the area including this one, so the pictures are "pre-Florence". City Hall expects the big lake to have water again by 2022.) Only minutes to Southport/Oak Island, and short ride to Wilmington or Myrtle Beach. A hop/skip/jump to the beautiful golf course and Boiling Spring Lakes Country Club and Pro Shop. Build your dream home, and watch the water rise in the lake while enjoying the beauty and tranquility of this area. Priced to sell. Owner is a licensed Real Estate Broker.
