

435 NECK ROAD, SHILOH, CAMDEN

SOLD

Located on Neck Road outside of Elizabeth City Beach in Camden County, North Carolina, is a piece of property with plenty of possibilities. This property would offer a great place to build a dream home in the country with hunting in the back yard just minutes from the Pasquotank River. The area along the road is already cleared and ready for a homesite. There is also great farmland that would be perfect for growing corn, peanuts or soybeans. Hunting in this area would be ideal due to the Raymond Creek that runs along the back of the property offering a great water source for wildlife. The heavily treed area also provides good cover for the wildlife, and a food plot could easily be planted in some of the cleared areas to attract even more wildlife. Wildlife in the area includes whitetail deer, turkey, and other small game. The timber consists of Loblolly Pine and many types of Hardwood that could produce some additional income.
