

An aerial satellite photograph of a rural landscape. The image shows a mix of green fields, brown plowed land, and dense green forests. A road, labeled 'CHERRY GROVE RD', runs diagonally from the top right towards the bottom right. A red rectangle is drawn on a large, brown, rectangular field in the center-left portion of the image. To the left of this field is a smaller green field containing a dark pond. In the upper right, there are several small white buildings and a road intersection. The bottom right corner shows a road junction with a street light.
